Dear Carlos D. García Rodríguez:

According to our conversation, I am requesting the opportunity to offer an approximately 50 min. lecture to nuclear medicine physicians and RSO's during our society annual convention on September 24-26, 2010 at "El San Juan Hotel & Casino" Isla Verde, Puerto Rico.

The presentation discusses the legal and regulatory requirements of the U.S. Nuclear Regulatory Commission¹ regarding the operation of a nuclear medicine clinic. The presentation also discusses my experiences as participant of an alternate dispute resolution process with the NRC.

I appreciate your consideration regarding my submittal.

Sincerely yours,

Juan E. Pérez Monté, M.D.
