Miranda – My SAMA lead is on vacation next Friday, and the following Monday is a Federal holiday.

That said, it looks like Thursday will work for the cultural/historical call.

Please call when you have a moment this morning. I think it may be most efficient if we discuss the schedule for the SAMA call and the SAMA responses, rather than address it over e-mail. I want to make sure we can find a time to clarify our requests to you (as you requested) and still get the SAMA RAIs out in a fashion that allows you adequate time to respond and allows us to meet our schedule.

Thanks much!

Best,
Drew
