Subject: Consultation Meeting for the Levy Nuclear Power Plant

Mr. Bruner,

I just wanted to confirm that there will be a meeting on the Levy Nuclear Power Plant in Crystal River, Florida on September 23, 2010 at 10:00 am. I am passing this information on to our Tribal Historic Preservation Officer, Willard Steele, in hopes that the Tribe's issues can be addressed. Where exactly will that meeting be held? Do you happen to have a physical address I can pass on?

Thanks,

Elliott York
