Delegation of Authority

To: Lawrence Slate, Radiation Safety Officer
From: John Nordwick, Chief Executive Officer
Subject: Delegation of Authority Radiation safety Officer

You, Lawrence Slate, have been appointed Radiation Safety Officer and are responsible for ensuring the safe use of radiation. You are responsible for managing the radiation protection program; identifying radiation protection problems; initiating, recommending, or providing corrective actions; verifying implementation of corrective actions; stopping unsafe activities; and ensuring compliance with regulations. You are hereby delegated the authority necessary to meet those responsibilities, including prohibiting the use of byproduct material by employees who do not meet the necessary requirements and shutting down operations where justified by radiation safety. You are required to notify management if staff do not cooperate and do not address radiation safety issues. In addition, you are free to raise issues with Nuclear Regulatory Commission at any time. It is estimated that you will spend 6 hours per week conducting radiation protection activities.

I accept the above responsibilities,

Radiation Safety Officer

Management Representative
