I have been off sick for the last two weeks, so I am behind.  
Once again, the address remains the same. That is Premier Technology, Inc. 1858 W. Bridge St, Blackfoot, Idaho 83221. It was moved to a different location in the shop as identified on the drawings I submitted.

Should you need additional information, please contact me.

Mr. Sayer:

I want to confirm that the physical address of your relocated gamma storage vault has not changed. It is the same physical address of the field station identified in License Condition 11.A. of your license.

Thanking you in advanced for your assistance and prompt response to this inquiry.

If additional information or clarification is needed, please don't hesitate to contact me at your convenience at the phone numbers and e-mail address listed below.

Sincerely,

*Jacqueline "Jackie" D. Cook*
