Dear FOIA Officer,

I would like to request under the Freedom of Information Act the names and job titles of the individuals who contributed to and wrote the Safety Evaluation Report(s) for the Mixed Oxide Fuel Fabrication plant in Aiken, South Carolina.

I understand that this information should be provided within 20 business days of this request, but I would like to request that this information expedited.

To avoid unnecessary fees associated with printing and copying, I would like this information to be forwarded electronically. I understand that if my request is processed in less than 2 hours fees are dropped. Therefore, I request the \$15 limit, which qualifies as a no fee charged category.

I would like to know if this request exceeds the two hour search time. If this request is in excess of two hours, I would like an estimate of fees before processing. Since the subject of the requested records concerns "the operations or activities of the government and is not the commercial interest of the requester," I would like to request a fee waiver or reduction.

Thank you for your assistance.

Sincerely,  
Donna Deedy
