| LICENSEE:<br><br>The inspection was an examination of the activities conducted under your license as they relate to radiation safety and to compliance with the Nuclear Regulatory Commission (NRC) rules and regulations and the conditions of your license. The inspection consisted of selective examinations of procedures and representative records, interviews with personnel, and observations by the inspector. The inspection findings are as follows: |                                      |  |          |
| <input type="checkbox"/> 1. Based on the inspection findings, no violations were identified.   |                                      |  |          |
| <input checked="" type="checkbox"/> 2. Previous violation(s) closed.   |                                      |  |          |
| <input type="checkbox"/> 3. The violation(s), specifically described to you by the inspector as non-cited violations, are not being cited because they were self-identified, non-repetitive, and corrective action was or is being taken, and the remaining criteria in the NRC Enforcement Policy, NUREG-1600, to exercise discretion, were satisfied.  |                                      |  |          |
| <input type="checkbox"/> Non-Cited Violation(s) was/were discussed involving the following requirement(s) and Corrective Action(s):  |                                      |  |          |
| <input checked="" type="checkbox"/> 4. During this inspection certain of your activities, as described below and/or attached, were in violation of NRC requirements and are being cited. This form is a NOTICE OF VIOLATION, which may be subject to posting in accordance with 10 CFR 19.11.  |                                      |  |          |
| 10 CFR 32.16(c)(1), in part, requires that the licensee shall file the report (transfers of byproduct material), covering the preceding calendar year, on or before January 31 of each year. 10 CFR 32.25(c)(4)(i), in part, requires that the licensee shall file the report, covering the preceding calendar year, on or before January 31 of each year.   |                                      |  |          |
| Contrary to the above, as of September 1, 2010, the licensee has not filed the required reports, covering the 2008 and 2009 calendar year, on or before January 31 of each year.   |                                      |  |          |
| The licensee said that the month of January was an especially burdensome time for jewelers but he would comply in the future and placed an action item into his blackberry device. He will be submitting the missing years within 30 days.   |                                      |  |          |
| <b>Licensee's Statement of Corrective Actions for Item 4, above.</b>   |                                      |  |          |
| I hereby state that, within 30 days, the actions described by me to the inspector will be taken to correct the violations identified. This statement of corrective actions is made in accordance with the requirements of 10 CFR 2.201 (corrective steps already taken, corrective steps which will be taken, date when full compliance will be achieved). I understand that no further written response to NRC will be required, unless specifically requested. |                                      |  |          |
