Arlington, TX 76011-4125

SUBJECT: NRC RAM License # 49-27629-01MD

Dear Ms. Cook:

PharmaLogic would like to amend US NRC Materials License # 49-27629-01MD to include the following changes:

- List Tamiko Ushio, RPh, ANP as the Radiation Safety Officer

This individual has experience as a nuclear pharmacist and is already listed as an Authorized User on this US NRC RAM License 49-27629-01MD. Evidence of her training and experience has been previously provided.

- Remove William Watts as Radiation Safety Officer and as an Authorized User from this RAM License as he is no longer employed by PharmaLogic.

Thank you for your consideration of this amendment request. If there are any questions, please contact me at the telephone numbers listed below.

Sincerely,

Gerard Strugala, RPh, BCNP
Vice President, Operations
