RE: Three (3) Reports For The Turkey Point Project

Dear Ms. Williams:

Fugro has completed three (3) RCTS tests, which are B630-UD19, B630-UD23, and B630-UD27 for the Turkey Point project. Fugro has incorporated, as needed, Dr. Kenneth Stokoe's comments into the final reports. The final reports and the associated RCTS Test Approvals by Dr. Kenneth Stokoe have been attached.

Please let us know if you have questions. Thanks.

Very truly yours,

Fugro Consultants, Inc.
