Dear Mr. Cooper:

It has come to our attention that your NRC Material License No. 21-32793-01, issued on June 30, 2010 contained errors. We removed Condition No. 16 from your license as it was considered to be redundant of other conditions in your license. This change required us to also renumber subsequent conditions on your license.

Enclosed is the corrected copy of your license reflecting the changes we have made. We apologize for any inconvenience these errors may have caused.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

A handwritten signature in black ink, appearing to read "M. G. Herr", with a long horizontal flourish extending to the right.
