Subject: petition to Intervene submitted on behalf of CASE

To: Barry White,

Mr. White,

Due to the problems you experienced in filing your entire petition to intervene in the Turkey Point COL proceeding on August 17, 2010, via the NRC E-filing system, the Office of the Secretary is accepting your petition for placement on the docket. As we discussed by telephone this morning, it is advisable to attempt another submission via the E-filing system for service on the E-filing service list for the proceeding.

If you continue to experience difficulties in filing via the E-filing system don't hesitate in contacting our Metasystem Help Desk. Should that occur, also please contact Christine Pierpoint (301-415-3519, e-mail: Christine.Pierpoint@nrc.gov) or me since we may not be aware of a submission failure at the exact time that it occurs.
