Dear Mr. White,

In response to your recent call and request that two items be placed on the docket for the *Turkey Point* COL proceeding I am this date placing the attached log of filings made via the NRC e-filing system for the Turkey Point proceeding on the docket as well as an e-mail provided to me from Mary Olson explaining the filing difficulties you faced on August 17, 2010. The log is generated as an E-filing system document and updates as filings occur.

Because these items are being placed on the docket, I am also serving them this date by e-mail on the participants in the proceeding.
