Br. 1

Docket No. 03001245 Control No. 572903 RLJ

License Number: 06-00843-03 RIJC Subject: Et. Vincent's Medical Center license Amendment

Dear Mr. Dwyer

Early this year we amended the Hospital NRC license to include IsoAid Pd-103 sealed sources for prostate bracytherapy implants. Now the manufacturer says they would not continue to support/supply this type of seeds for a long time. We will want to add another Palladium-103 seeds from a different manufacturer with the following information:

Theragenics Pd-103 Model: 200 from Theragenics Cooperation of Buford, GA.

Kindly amend the hospital license by adding another Pd-103 source vendor and model.

Thank you

Susan L. Davis, R.N., Ed.D. Chief Executive Officer

your

Adel Mustafa, Ph.D. Medical Physicist and Radiation Safety Officer
