

September 28, 2010 NRC Public Meeting to Discuss the Draft Safety Culture Policy Statement

Instructions for participating via webstreaming OR teleconference

Webstreaming Instructions

Instructions for viewing and listening to the meeting using Webstreaming:

1. Go to the follow link in your web browser: <http://video.nrc.gov/live/>
2. From the table of Upcoming Webcasts click on the Safety Culture Public Meeting link.
3. From the new page select the Player link for either Windows Media (Broadband, 56k Dialup, or Dialup) or Real (Broadband, 56k Dialup, or Dialup) and a window with the webstream will pop-up.

Note: There is a 25 second delay for the webstreaming broadcast.

Instructions for Audio:

1. The webstream allows only listening to the meeting. In order to participate and ask questions (and if the webcast fails) dial the following phone number and access code.
 - a. Dial: 888-955-8964
Access Code: 57010
2. Questions will be asked of the audience in attendance first, but due to the delay with the webstream, once the request for questions is made you should dial in.
3. At this point you should turn down the volume from the webstream to listen by phone which is real-time, and you will be prompted for questions in turn.

****In case of technical difficulties with webstreaming....Use these Instructions for Webinar:

Note: For this meeting Webinar is a backup tool to be used in the event that technical difficulties with the Webstreaming are encountered.

1. Register for this webinar session at <https://www1.gotomeeting.com/register/764824336>
2. After registering, you will receive an email with a unique link to Join Webinar. The email also has the dial-in phone number for the audio.
3. If necessary, on September 28, 2010 follow the Join Webinar link you received.

Teleconference Instructions

Instructions for listening to and participating in the meeting:
