SUMMARY (Continue on Page 2)

Mr. Ken Stewart called Colleen Murnahan and asked for an expedited amendment request of mail control number 573421 because of upcoming construction projects. Roberto Torres called Mr. Stewart and requested clarification on the letter dated August 17, 2010 which requested the addition 1 CPN MC Series gauge. Mr. Stewart stated that CPN's price quotation for a gauge was high and that they are going to keep using Troxler gauges. Therefore Mr. Stewart requested that License No. 53-29225-01 be amended to reflect authorization for a total of 4 Troxler 3400 series gauges and no authorization for CPN MC Series gauges..
