Subject: 2010 Technology Update Meeting, May 19-20, Final Presentation

Enclosed is the final presentation for the Technology Update Meeting conducted on May 19-20, 2010.

The presentation entitled, "GNF Fuel Experience & Reliability," is provided to meet the GESTAR II Section 1.2.1.C requirements for a yearly operating experience report presenting the examination of LUAs and selected discharge bundles.

The status and plans for the various subjects presented is subject to change depending on resources, market conditions, and so on. Therefore, the content on the slides, as well as the statements made by the presenters, should not be taken as a commitment to perform certain activities or meet the dates presented.

Please note that Enclosure 1 contains proprietary information of the type that GEH maintains in confidence and withholds from public disclosure. The information has been handled and classified as proprietary to GEH as indicated in its affidavit. The affidavit contained in Enclosure 3 identifies that the information contained in Enclosure 1 has been handled and classified as proprietary to GEH. GEH hereby requests that the information in Enclosure 1 be withheld from public disclosure in accordance with the provisions of 10 CFR 2.390 and 9.17.

Enclosure 1 is the proprietary version of the presentation and Enclosure 2 is a non-proprietary version. Enclosure 3 contains the affidavit.

If you have any questions, please contact Andy Lingenfelter at (910) 819-5954 or me.

Sincerely,

A handwritten signature in black ink, appearing to read "James F. Harrison". The signature is fluid and cursive, with the first name "James" and last name "Harrison" clearly distinguishable.
