South Texas Project
Units 3 and 4
Application for Department of Army Permit

The STP Nuclear Operating Company (STPNOC) submits the enclosed application for a Department of Army permit for dredge and fill activities associated with the construction of Units 3 & 4.

In addition to the application, please find enclosed a list of adjacent property owners, plan view and cross-sectional diagrams for the proposed activities, a copy of SWG-2007-786 (site preliminary jurisdictional determination), Texas Commission on Environmental Quality (TCEQ) Tier II 401 Certification Questionnaire, TCEQ Tier II Alternatives Analysis Checklist, and a Texas Coastal Management Program consistency certification.

If you have any questions regarding this application, please contact me at (361) 972-7136, or Russell W. Kiesling at (361) 972-4716.

A handwritten signature in black ink, appearing to read "S. Head".

Scott Head
Manager, Regulatory Affairs
