To whom it may concern,

This memo is in regards to License Number 47-23070-01, docket number 03020237, and control number 573276. Currently, Dr. Timothy Conner has taken a leave of absence and his RSO position is being temporarily filled by Dr Steven Artz. Last week we received a call on Dr. Conner's status, confirming an extension of his leave. Since the 60 day regulation for temps will be up at the end of this week, I would like to add Dr Steven Artz as our permanent RSO effective immediately. Dr. Artz was RSO at this facility in 2007-2008, and in speaking to staff at the NRC his paperwork should still be available for review.

Thank you for your time and consideration in this matter, and please feel free to contact me with any questions.

Sincerely,

April D Amburgey
