Dear Mr. Young:

As you know, the State of New Jersey became an Agreement State on September 30, 2009. On December 18, 2009 NJDEP contacted STERIS Isomedix Services (STERIS) to inform them of the need to issue new financial assurance documents with the State of New Jersey Department of Environmental Protection (NJDEP) as the beneficiary. STERIS financial assurance documents were due March 18, 2010. On April 27, NJDEP contacted STERIS to inform them that financial assurance documents were past due and extended the deadline to submit financial assurance documents by June 27, 2010. On September 1, 2010, NJDEP received the final financial assurance document necessary for review. This is to inform STERIS that STERIS Isomedix Services financial assurance documents meet New Jersey financial assurance regulations.

STERIS financial assurance documents include; The Letter of Credit dated July 16, 2010, the Certificate of Financial Assurance dated September 1, 2010, and the Decommissioning Funding Plan dated September 19, 2010.

By copy of this letter to the U.S. Nuclear Regulatory Commission (NRC) your original financial documents will be released and mailed to STERIS Isomedix Services at the above address.

If you have any questions, please contact Dennis Zannoni at 609-777-4252 or Jenny Goodman at 609-984-5498.

Sincerely yours,
