Re: NRC License 03-23853-01VA

Dear Ms. Frazier:

This letter is in response to information you requested in a telephone call and telephone contact record on September 17, 2010.

VHA commits to providing NRC a 30-day written notification before changing the person assigned to the National Radiation Safety Committee chair position.

VHA commits to not changing the person assigned to the chair position more often than every two years.

I enclose an organizational chart showing the position of the chair in the organizational structure.

If you have any questions, please contact me at 501-257-1571.

Sincerely,

A handwritten signature in black ink, appearing to read "G. Williams".

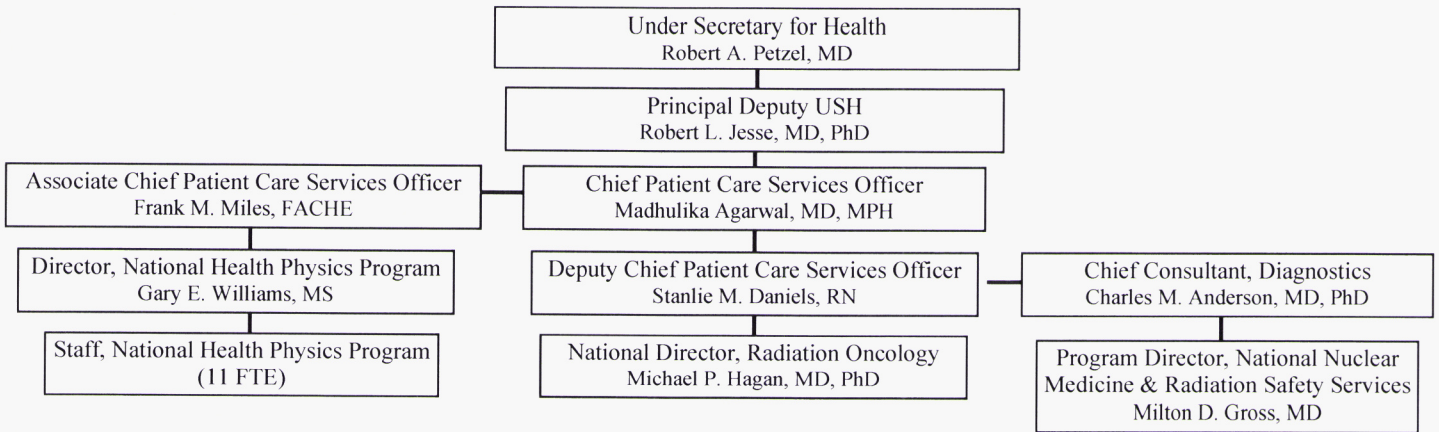

Gary E. Williams  
Director, National Health Physics Program
