Thank you all for your support in making the 2010 Fire Protection Information Forum a success. I greatly appreciate your help and look forward to working on next year's forum. We had many, many positive remarks on the facility, topics, speakers, and exhibits. I wanted to share with you some of the feedback that I will be using to make the 2011 Forum even better. I will be working with the conference group and the moderators using the feedback. Thanks again and I look forward to working with you in any capacity your willing to support on the 2011 FPIF.

Sincerely,

Thomas Basso
