Kim,

Will moving the FAC breakout to 4/27 from 1530 to 1630 work for the reviewer?

Philippe,

Sorry about this... can you move Fuel Oil Chemistry or FAC? The same reviewer has both AMPs. Or, we can just do one right after the other--combine the breakouts.

Kim,

Fuel Oil Chemistry and FAC are scheduled at the same time (3-4 pm Monday) and I'm supposed to be at both. Can we move one?

Attached, please find the most recent breakout schedule. If you look, you'll see the phone numbers for the teleconference calls. Please forward this to your peer reviewers so they can call in if they want to. If you have any questions, let me know.
