Mr. Shandruk, it appears that you are requesting for license termination as you requested all the materials be removed from the license. Is that your intention? Mr. Shandruk discussed with me if he could terminate the license or not. It appears they have a need to acquire sources in the future but he was unsure if they could be distributed under a general license, be exempt distributed or he must be specifically licensed.

Action Required: Mr. Shandruk will determine if he will need the license in the future or that it can be terminated.
