SUMMARY

This refers to your application dated June 22, 2010. This also refers to the telephone discussions between you and me, on September 15, 2010. We find that we will need the following additional information to continue our review of your amendment request:

**We now require a total possession limit for each radionuclide requested, as well as providing the "per source" activity you need, which should match the Sealed Source and Device Registry certificate procured by the vendor. Please provide this information. It is acceptable to request more sealed sources than you may actually need immediately, to allow for some growth, so long as the request is reasonable and realistic.**

**We will also be changing Condition Nos. 13.D and 18. These changes should enhance your awareness of regulatory requirements and the radiation safety program elements in your license. In addition to these changes, we will be correcting some spelling errors in Subitem Nos. 9.A and B on your materials license**

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in the NRC Public Document Room or from the NRC's Agencywide Documents Access and Management System (ADAMS), accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html>

ACTION REQUIRED

Please submit the requested information by September 17, 2010 by referencing control number **573052** to facilitate proper handling.

If we do not receive an adequate response by this date, we will **VOID** the current action without attempting to contact you further and without prejudice to resubmission of your request at a later date.

Upon receipt of your response we will resume our review. Address your written response to my attention at the above address using the control number 573052 to facilitate proper handling.

PLEASE NOTE THAT A "VOID" IS AN ADMINISTRATIVE PROCEDURE THAT PUTS YOUR AMENDMENT REQUEST "ON HOLD" (TAKES IT OUT OF OUR ACTIVE CASEWORK DATABASE) UNTIL YOU REACTIVATE IT VIA SUBMISSION OF A WRITTEN RESPONSE. IT "BUYS" YOU TIME TO PREPARE A QUALITY RESPONSE AND IS GENERALLY REGARDED AS A "GOOD THING."

PLEASE DIRECT ANY QUESTIONS YOU MAY HAVE TO ME AT 630-829-9752 or (800) 522-3025, EXT. 9752.
