Hello Rich:

Attached please find, PILGRIM WATCH - 2.206 PETITION REGARDING HYDROGEOLOGIC ASSESSMENT PILGRIM NPS.

As we discussed on the telephone, we request that this document also is considered as a supplement to *Pilgrim Watch 2.206 Petition Regarding Inadequacy of*

***Entergy's Management of Non-Environmentally Qualified Inaccessible Cables & Wiring at Pilgrim Station* to ensure that the hydro-geo related information is also**

considered by the PRB and included under the 2.206 review scope for that petition package.

Please indicate receipt by return email.

Thank-you and enjoy the week-end,

Mary
