Dear Mr. Mullauer:

We have now completed our move from 9116 and 9124 Columbia Ave. to our new facility at 1730 45th Street, Munster IN. All radioactive material was transferred to the new site and a closeout survey was completed of the previous use and storage location at 9124 Columbia Ave. to ensure there is no contamination or radioactive materials remaining. A copy of the closeout survey is attached.

Our mailing address should be changed to the 1730 45th Street location.

Please contact us if additional information is needed.

Thank you.

Sincerely,
