**Subject:** STP - FIV Telecon on Sep 28, 2010

**John,**

I'm preparing the meeting notice for the September 28 telecon that will be closed to the public. Pending availability of Drs. Ziada and Omesh, our current schedule shows we are open in the morning. Please confirm ASAP what time and the duration of this discussion on the peer review of the dryer analysis.

**Yuken,**

You may want to consult ANL and Samir if the morning of September 28 is okay.

Regards
