Docket No. 71-9035 (Model 680-OP Type B Package)
TAC Nos. L24423 & L24425

Dear Mr. Saverot:

The following is submitted in response to your 21 September 2010 email requesting correction of typographical errors on drawing R68090 Revision L for the Model 680-OP package. Enclosed please find drawing R68090 Revision M which corrects the standard referenced for the 10-32 stainless steel screws from "ASTM A837" to read "ASTM F837". This correction is made on Sheets 6 and 7 of the drawing.

There are no other changes required to the submission at this time. Should you have any questions on this letter or its enclosure, please feel free to contact me to discuss.

Sincerely,
