SUBJECT: UNIVERSITY OF PITTSBURGH MEDICAL CENTER TOUR

Dear Mr. Sheetz:

Please accept our sincere appreciation for coordinating the tour of your facility on July 28, 2010, for William Ostendorff, USNRC Commissioner, and other NRC and Commonwealth of Pennsylvania personnel. You and members of the University of Pittsburgh Medical Center staff conducted an interesting and informative tour of the areas of byproduct material use at the medical center.

Once again, we appreciate your time and effort in making the tour a successful learning experience.

Sincerely,

/RA/

John D. Kinneman, Director
Division of Nuclear Materials Safety
