Per our conversation the areas listed on the Millennium West close out survey that are #7 Treadmill, #8 Counter in stress room, #9 treadmill in stress room and #10 the floor by the door between the nuclear room and stress room.

The wipes on the close out survey were analyzed in a well counter.

Any questions, please call me at 248-945-0000 ext 2303

- All wipes were below the 2000 DPM limit.
- All wipe areas were surveyed with a GM survey meter and all areas recorded less than 0.02 mR/hr. Wipes were then analyzed in a gamma counter. *
