FOIA/PA REQUEST

Case No.: 2011-0004
Date Rec'd: 10-12-10
Specialist: Christen
Related Case: _____

DEar FOIA Officer,

I would like to request under the Freedom of Information Law a copy of the Nuclear Material Inventory Management Plan for the plutonium reprocessing plant being constructed by ShawAREVA in Aiken, South Carolina.

I understand that this information should be provided within 20 business days of this request, but I would like to request that this information to be expedited.

To avoid unnecessary fees associated with printing and copying, I would like this information to be forwarded electronically, such as email transmission or other electronic means. I understand that if my request is processed in less than 2 hours fees are dropped. Therefore, I request the \$15 limit, which qualifies as a no fee charged category.

I would like to know if this request exceeds the two hour search time. If this request is in excess of two hours, I would like an estimate of fees before processing. Since the subject of the requested records concerns "the operations or activities of the government and is not the commercial interest of the requester," I would like to request a fee waiver or reduction.

Thank you for your assistance.

Sincerely,
