

17.1 Quality Assurance During Design and Construction

The information in this section of the reference ABWR DCD, including all subsections, is incorporated by reference with the following site-specific supplement.

STPNOC's 3 & 4 QAPD for design, construction and operations is provided in FSAR Section 17.5S.

During STP 3 & 4 design and construction, prior to STPNOC's full implementation of the STP 3 & 4 QAPD, the approved Units 1 and 2 Operations Quality Assurance Plan (OQAP) is incorporated by reference for use on STP 3 & 4 (Re: STPNOC letter to NRC dated March 26, 2007; ML070940688).
