Dear Mr. Bosanko:

On behalf of the U.S. Nuclear Regulatory Commission (NRC), I am responding to your letter of October 12, 2010, where you asked the NRC to designate an individual to serve on the State, Local, Tribal, and Private Sector Policy Advisory Committee (SLTPS-PAC). I understand that Section 3 of Presidential Executive Order 13549, "Classified National Security Information Program for State, Local, Tribal, and Private Sector Entities," dated August 18, 2010, establishes the SLTPS-PAC to discuss disputed program-related policy issues in order to facilitate their resolution and to recommend policy and procedural changes to remove undue impediments to the sharing of information under this program. In accordance with your request, I am designating Dr. Patricia Holahan, Director, Division of Security Operations (DSO), Office of Nuclear Security and Incident Response (NSIR), as the NRC's representative. Mr. Bernard Stapleton, Chief, Information Security Branch, DSO/NSIR, will be the alternate.

Dr. Holahan can be reached at (301) 415-6828, and Mr. Stapleton can be reached at (301) 415-2214. Thank you for engaging the NRC in this very important matter regarding the Nation's classified national security information program.

Sincerely,
