

T.E.S. FILER CITY STATION

September 30, 2010

U.S. Nuclear Regulatory Commission
Region III
801 Warrenville Rd
Lisle, IL 60532-4351

License Number 21-26079-01
Docket Number 030-31372
Subject: Materials License Amendment

Currently in the authorized use section of our material license we do not list liquid density measurement. I would like to have our license amended to include this so we have a complete overview of our scale uses.

Please direct any questions or concerns that you may have to my attention.

Sincerely,

Rick Kubiskey
Radiation Safety Officer
T.E.S. Filer City Station
