Requests for Additional Information Regarding the Supplement to the
Environmental Report for the William States Lee III Nuclear Station, Units 1 and
2 Combined License Application, dated September 14, 2010 (ML102371173)

This letter provides the Duke Energy response to the following Nuclear Regulatory
Commission's request for additional information (RAI) included in the referenced letter.

RAI 221, Cultural Resources

The response to the NRC information request described in the referenced letter is addressed in
an enclosure, which also identifies associated changes to the Combined License Application for
the Lee Nuclear Station, when appropriate. The information requested was obtained from the
South Carolina Institute for Archaeology and Anthropology. The information requested is
protected from public disclosure under the provisions of 16 USC 470hh, *Confidentiality of
information concerning the nature and location of archaeological resources*. Consequently,
Duke Energy requests that this enclosure be withheld from public disclosure in accordance with
the provisions of 10 CFR 2.390(a)(3).

If you have any questions or need any additional information, please contact Peter S. Hastings,
Nuclear Plant Development Licensing Manager, at 980-373-7820.
