Re: License Amendment Request
Change of Address for troxler gauges
License # 21-26066-01

To Whom It May Concern:

Please find this letter our request for license amendment for License No. 21-26066-01 in which we are requesting to change our address to 13500 Reeck Road, Southgate, Michigan, 48195. Please remove our old address currently on record which is 19366 Allen Road, Trenton, Michigan.

We had only three gauges contain sealed sources. One of the three was disposed of by Troxler Electronic Laboratories Inc., a copy of the letter and last leak test for that one are attached for your records. The other two gauges we still have, their sealed sources had never leaked any radio active material. Recent leak test for those two gauges were recently completed and sent to the lab.

We will be happy to forward the results upon your request.

Very truly yours,

HENNESSEY ENGINEERS, INC.
