OFFICE OF THE SECRETARY

In the Matter of)	
NEXTERA ENERGY SEABROOK (LLC))	
[Also Know As FLORIDA POWER & LIGHT])	
SEABROOK NUCLEAR POWER PLANT)	DOCKET NO. 50-443
Regarding the Renewal of Facility Operating License)	
No-NFP-86 for a 20-Year Period)	SEPTEMBER 21, 2010

DECLARATION OF PHYLLIS KILLEM-ABELL
IN SUPPORT OF
THE PETITION TO REQUEST
A PUBLIC HEARING AND LEAVE TO INTERVENE ON
THE NEXTERA APPLICATION TO RELICENSE
SEABROOK NUCLEAR POWER PLANT

The following statements are true under the penalty of perjury.

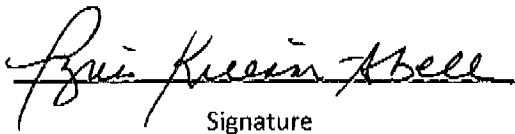

1) My name is Phyllis Killem-Abell. I am a member of Seacoast Anti-Pollution League hereafter referred to as the "Petitioner."

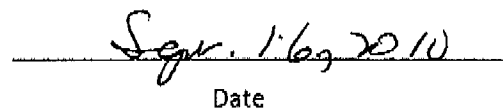

2) I have a residence at **10 White Oak Drive #321, Exeter, NH 03833.**

My home is located within the Emergency Planning Zone for the Seabrook nuclear power plant operated by NextEra Energy Seabrook (LLC) which has filed an application before the United States Nuclear Regulatory Commission to extend nuclear power plant's operating license by 20-years.

3) I believe that the application for the license extension of Seabrook nuclear power plant is sufficiently inadequate as written and my interests will not be adequately represented without

3) I believe that the application for the license extension of Seabrook nuclear power plant is sufficiently inadequate as written and my interests will not be adequately represented without this action to intervene and without the opportunity of the Petitioner to participate as a full party in this proceeding on my behalf. If the Seabrook nuclear power plant license is renewed without resolving the Petitioner's safety and environmental concerns, this nuclear power plant may operate unsafely and pose an unacceptable risk to the environment and the public health and safety of the Petitioner's member who lives, recreates and has business within the affected vicinity of the nuclear power reactor. I am concerned that if an accident were to occur at Seabrook nuclear power plant, I might be killed, injured or sickened by the radioactive releases.
