Tim,

I talked with Bob this morning. He received the Guided Wave Final Report just yesterday. He is reviewing the report to ensure his comments were incorporated.

If the report is complete, we will be sending you a copy.

Subject: Guided Wave Data

Howard,

Before I left the site on 5/3 Bob Montgomery said he would give me copies of all Guided Wave data from Unit 1. However, I haven't received the data. Can you please find out where it is? Thanks. You can pdf the info and email it to me.
