Subject: Question

October 13, 2010

Dear Drew,

What is the NRC's process if a utility's application is incomplete or is withdrawn? Does the NRC allow the utility to refile at a later date? Are there penalties or time-consuming procedures involved if a utility refiles (for any reason)? Is the refile received without prejudice?

If this is covered under a specific regulations/rule/or procedure can you please send a link? I need a reply before Monday if possible

In Peace
Rochelle
