Region III
Materials Licensing Section
2443 Warrenville Road, Suite 210
Lisle, Illinois 60532-4352

License Number 24-32661-01

Dear Materials Licensing Section:

This is a request to have our license amended for the following two items:

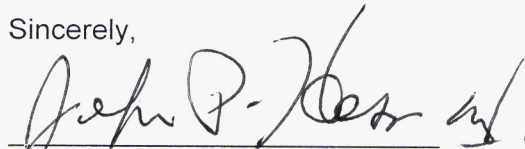

1. Addition of John R. Groll, M.D., as an Authorized User for material permitted in 35.200 for nuclear cardiology studies.
2. Addition of John P. Hess, M.D., as an Authorized User for material permitted in 35.200 for nuclear cardiology studies.

Drs. Groll and Hess are qualifying for authorized user status under 10 CFR 35.57(b)(3). Attached is documentation that Drs. Groll and Hess used NARM material for medical uses before and during the effective period of NRC's waiver of August 31, 2005, and used these materials for the same uses we have requested.

Both Drs. Groll and Hess are licensed to practice medicine in the State of Missouri.

If you have any additional questions, please contact me at (314) 238-2535.

Sincerely,

Signature

John P. HESS, MD

APPENDIX C

Table C.3 Items 7 through 11 on NRC Form 313: Training & Experience, Facilities & Equipment, Radiation Protection Program, and Waste Disposal <i>(Check all applicable rows and fill in details and attach a copy of the checklist to the application or provide information separately.)</i>		
Item Number and Title	Suggested Response	Check box to indicate material included in application
Item 7: Authorized Users for medical uses:	<i>For an individual previously identified as an AU on an NRC or Agreement State license or permit:</i>	
Name(s), (including license number authorizing practice of medicine, podiatry, or dentistry if not provided previously or in attachment); Requested uses for each individual	Previous license number (if issued by the NRC), or a copy of the license (if issued by an Agreement State), or a copy of a permit issued by an NRC master materials licensee, or a copy of a permit issued by an NRC or Agreement State broad-scope licensee, or a copy of a permit issued by an NRC Master Materials License broad-scope permittee on which the physician, dentist, or podiatrist was specifically named as an AU for the uses requested.	<input type="checkbox"/>
	<i>For an AU requesting authorization for an additional medical use:</i>	
	Description of the additional training and experience to demonstrate the AU is also qualified for the new medical uses requested (e.g., training and experience needed to meet the requirements in 10 CFR 35.290 (b), 35.396, 35.390(b)(1)(ii)(G), or 35.690(c)).	<input type="checkbox"/>
	AND	
	A preceptor attestation, if required (e.g., attestation is required to meet the requirements in 10 CFR 35.396, 35.390(b)(1)(ii)(G), or 35.690(c)).	
John R. Groll, M.D.	<i>For an individual qualifying under 10 CFR 35.57(b)(3):</i>	
John P. Hess, M.D.	Documentation that the physician, podiatrist, or dentist: <ul style="list-style-type: none"> used only accelerator-produced radioactive materials, or discrete sources of Ra-226, or both, for medical uses before or during the effective period of NRC's waiver of August 31, 2005; and used these materials for the same medical uses requested. 	<input checked="" type="checkbox"/>
	<i>For an individual qualifying under 10 CFR Part 35, Subparts D, E, F, G, and/or H, who is board-certified:</i>	
	Copy of the certification(s) by a specialty board(s) whose certification process has been recognized ¹² by the NRC under 10 CFR Part 35, Subpart D, E, F, G, or H, as applicable to the use requested.	<input type="checkbox"/>
	AND	

¹²The names of board certifications that have been recognized by the NRC or an Agreement State are posted on the NRC's Web site <http://www.nrc.gov/materials/miau/med-use-toolkit.html>.
