Dear Mr. Reynolds:

As an addendum to my letter of October 9, 2010 in response to the pre-decisional enforcement conference held in Lisle, Illinois, I would like to announce that I have closed a negotiation for a new RSO that I feel will be favorable to JANX Integrity Group. I am not sure of his starting date yet, but it will probably be about a month from now. He is very versed in industrial radiography and with his help I am sure that the ball will not get dropped again.

Please contact me at your convenience if you have any questions on this.

Sincerely,

John A. Newland, CEO
