I am fine waiting for everything to come in at one time. I appreciate the update.

Betsy,

Certainly. I have pulled together the additional documents that can be prepared internal to IBA, such as the Specimen Certificates. What I am waiting on are the external documents that PNC must complete, such as Appendix B to the Standby Trust Agreement and the Letter of Acknowledgment. I have been following-up periodically with IBA's Finance Department, and have requested another update from them.

My plans were to submit all of the information as one package for the sake of efficiency, but if it would be helpful, I can prepare a separate submission with the non-PNC documents.

Checking in – any update on progress for the additional information?

Dave,

We got the Letter of Credit yesterday (9/9) but on 9/8 I sent a letter requesting additional information. You still need to respond to the letter I sent, but you can refer to the Letter of Credit as having already been sent.
