Subject Request for Updated Letter of Intent for
Marsland Expansion Area

As you know, the NRC staff periodically requests updates regarding the status of pending applications to help formulate budgets. As part of the budget formulation process, the staff must estimate the number of projects in any given fiscal year. Toward that end, please provide the staff with an updated letter of intent regarding the **Marsland Expansion Area Project** within 20 days of receipt of

this e-mail. The revised letter may be sent to:

Dr. Charles L. Miller, Director
Office of Federal and State Materials and
Environmental Management Programs
U.S. Nuclear Regulatory Commission
Two White Flint North, Mail Stop T8D22
11545 Rockville Pike
Rockville, MD 20852

Sincerely,

**/RA/ Betty Garrett, Licensing Assistant
for**
Stephen J. Cohen
Team Leader – New Facility Licensing
Division of Waste Management
and Environmental Protection
Office of Federal and State Materials
and Environmental Management Programs
