Re: License Amendment (45-23031-01) 03020195

Dear Mr. Lodhr:

I would like to request an amendment to Radioactive Material License No. 45-23031-01 to change the material license to 13500 East Boundary Road, Midlothian, Virginia 23112. The current listed address of 27 Industrial Drive #100, Ruckersville, Virginia 22968 should be removed from the license on October 31, 2010. As of that that date, no radioactive material will be stored at that site.

In addition to moving the licensed address, please add 2120 Berkmar Drive, Charlottesville, Virginia 22901 to the CTI Radioactive Materials License (No. 45-23031). Until confirmation of this approved amendment, no radioactive materials will be stored at this facility.

Please let me know if I can provide any additional information.

Sincerely,

Colin Stevenson
President
