NAC International (NAC) has received Reference 3 on October 22, 2010. Reference 3 requests NAC to submit to the Commission within 90 days of the approval of Amendment 1 an updated MAGNASTOR Final Safety Analysis Report (FSAR) incorporating the approved Amendment 1 changes.

Due to the late receipt of Reference 3 and other ongoing licensing activities, NAC will prepare and submit Revision 1 of the MAGNASTOR FSAR on or before February 28, 2011. However, all efforts will be extended to submit an updated FSAR as soon as possible.
