11555 Rockville Pike
Rockville, MD 20852

Dear Ms. Stang,

Subject: N4201 Task Order: "Review of the Evacuation Time Estimate Analysis and the Emergency Plan for PSEG Site ESP Application" under JCN Q4011.

Attached are the draft Technical Evaluation Report, Template, and RAI list for the PSEG ETE review. Please let me know if you have any questions or need any additional information regarding this project.

Thank you.

Joe Jones
