Attached please find the subject requests for additional information (RAI). A draft of the RAI was provided to you on June 22, 2010, and discussed with your staff on July 20, 2010. Draft RAI Question 13.06.02-3 was deleted as a result of that discussion. The questions in this RAI are OPEN ITEMS in the safety evaluation report for Chapter 13 for Phases 2 and 3 reviews. As such, the schedule we have established for your application assumes technically correct and complete responses prior to the start of Phase 4 review. For any RAI that cannot be answered prior to the start of Phase 4 review, it is expected that a date for receipt of this information will be provided so that the staff can assess how this information will impact the published schedule.

Thanks,
