The licensee requested on letter dated September 20, 2010 (ML102810051) the release for unrestricted use of the field office 260 Industrial Drive, Beckley, West Virginia, and removal of this address from License No. 42-27055-01. Wood on 11/1/2010 at 2:52 pm to clarify the discrepancy. It turns out that both addresses refer to the same Schlumberger facility in Beckley, West Virginia. The reviewer used satellite imagery (see attached) and confirmed that both addresses led to the same Schlumberger facility at Beckley, West Virginia. The reviewer has completed the health and safety review and will proceed to release for unrestricted use the location identified on the license as 600 Industrial Drive, Beckley, West Virginia.
