**RE: Amendment Request to Change Kansas City, MO, Radiation Safety Officer
IBA Molecular North America, Inc, NRC RAM License 45-25221-05**

Attention Materials Licensing:

Please amend the above referenced license to change the Radiation Safety Officer to Michael Roberts. Mr. Roberts is listed as an authorized user in License Condition 11 of this materials license, and is also listed as an authorized nuclear pharmacist on IBA Molecular materials license number 45-25221-01MD.

In addition to meeting the NRC's training and experience requirements to be listed as an authorized nuclear pharmacist on a materials license, Mr. Roberts has been an authorized user and authorized nuclear pharmacist with IBA Molecular for over one and a half years. Mr. Roberts has also attended a 24-hour Radiation Safety Officer Training Program (certificate enclosed).

We appreciate your assistance with this transaction. If any additional information is needed, please contact me at (424) 206-2480 or my assistant, Jim Kostka, RAM License Administrator, at (202) 207-5437.

Sincerely,

David W. Pellicciarini, CHP
Vice President, Regulatory Affairs and EH&S
IBA Molecular North America, Inc.
