In the Matter of  
Pacific Gas and Electric Company  
(Diablo Canyon Nuclear Power Plant, Units 1 and 2)  
Docket Nos. 52-275 and 52-323

Dear Parties:

Pursuant to the Licensing Board's Memorandum and Order dated September 15, 2010, the Staff is providing the parties an index identifying the hearing file and mandatory disclosures in accordance with 10 C.F.R. §§ 2.1203 and 2.336. This index contains the remainder of the documents for the NRC Staff's initial filing for the hearing file that due to technical difficulties, the NRC Staff was unable to include by the October 15, 2010 deadline. The NRC Staff apologizes for any inconvenience or confusion that may result from the delay these technical difficulties caused.

For purposes of producing the mandatory disclosures and hearing file, and considering any document as privileged or protected, the Staff treated documents created by agents and contractors of the NRC the same as if those documents were created by the Staff. The index contains the ADAMS accession number, date, and title of each item so as to make the item readily retrievable from the agency's website, [www.nrc.gov](http://www.nrc.gov), using the ADAMS "Find" function in accordance with 10 C.F.R. § 2.1203. Also attached is the Affidavit of Andrew L. Stuyvenberg, as required by 10 C.F.R. § 2.336(c).

Respectfully submitted,
